

# APEX Camber™ ULTIMATE DIGITAL LENSES

Easy to adapt. Easy to wear.

# Why choose **Apex Camber Ultimate** Lenses?

Distance Vision

Near Vision

Intermediate Vision

## **Extra-wide fields of view for the best vision possible.**

Enjoy optimal vision in all areas of the lens, regardless of distance and direction of gaze, with an especially spacious near zone.

## **Sharp focus.**

A lens that works in harmony with your eyes for exceptional sharpness and clarity of vision, with smooth transition as you switch focus to see near and far.

## **Natural, dynamic vision.**

Feel comfortable in your new lenses, with perfectly balanced and stable vision at all times, even when you're on the move.

## **Exceptional clarity.**

Enjoy flawless vision from any angle thanks to a lens that's customized for you.

# Enjoy an unparalleled visual experience.

Apex Camber Ultimate Lenses adapts to the demands of modern life. This technology meets the visual needs of the most active presbyopes, who demand clear and stable vision, even when they're engaged in highly dynamic activities.

# APEX Camber ULTIMATE DIGITAL LENSES

Our most advanced progressive lens technologies ensure your lenses are optimized for outstanding visual quality and comfort.
